PROJECT FORWARDING & MANAGEMENT

AS ONE OF THE MARKET LEADERS IN PROJECT FREIGHT MANAGEMENT, WE HAVE PROUDLY WORKED ON COUNTLESS HIGH-PROFILE PROJECTS IN THE OIL & GAS, CONSTRUCTION & MINING, AUTOMOTIVE, AND PETROCHEMICALS INDUSTRIES ALONG WITH OTHERS.

We offer forwarding and logistics services that ensure the protection of oversized equipment and so much more.

Our highly experienced and dedicated Management Team and shipping agents leverage their knowledge to provide tailored service for your project. Your requirements may be slightly different than our last project but understanding that slight difference is critical. We make sure our services are in full accordance with the HSQE, compliance, and social responsibility policies in the industry.

OUR PROJECT FREIGHT FORWARDING INCLUDES SMALL PACKAGING TO OUT OF GAUGE CARGO

We offer planning, consulting, preparation, and execution services in one company.

Whether you need help determining your first step or ensuring the professional delivery of your shipment anywhere on the globe, you can confidently choose DC Global Freight for the best service.
