ROAD TRANSPORT

DC GLOBAL FREIGHT OFFERS A WIDE VARIETY OF ROAD AND RAIL FREIGHT SERVICES FOR VIRTUALLY ANY PART OF THE WORLD.

Our close partnership with the world's major rail networks, carriers, and haulage companies enables us to secure your freight properly and transported in a timeline that works for your, and your markets', needs.

Our road and rail services exist cohesively with our ocean freight and air freight products, allowing us to offer clients a wide array of transport options they require. Learn more about our services below.

ROAD FREIGHT SERVICES

We are an experienced road logistics specialist, in combination with an efficient transport network who aim to provide the highest quality service to all clients.

All over the world we have a fleet of specialized trucks and trailers via our global partners. This gives you the possibility to let us transport your products no matter the size or the weight. Our vehicles are equipped with the latest load security and track & trace technology giving live time transport management and control.

Our environment policy is to offer an environmentally sound, sustainable and innovative supply chain solutions.

We aim to keep reducing our impact on the environment. Sustainability consideration is an integral part of our strategy and in our decision making.

ADDITIONAL ROAD FREIGHT SERVICES:

- Global Full and Part Load Network
- Offshore Express Service
- Heavy and Abnormal loads
- Steel Transport
- Groupage
- Part loads
- Full Loads

DRIVEN BY EXCELLENCE

DC Global Freight is a leader in innovative cargo management concepts.
